When that modifier expires it becomes its Level 2 version again, and this is not considered Leveling up.	FB Post - Kirk (confirmed by Chad)

Captain America MC	Avengers Assemble			Does his "Avengers Assemble" power work even if he's not one of the team attackers?	Yes.	UDE FAQ	6.10.16
Captain America MC	Side by Side			If Cap team attacks with one other character, but in the middle of combat the other character gets stunned by a Plot Twist or Super Power, but Cap still stuns the defender, will he get an XP? Cosmo	Nullify (Old Wording)			What happens if my opponent Nullifies my Main Character with Cosmo, and then I Nullify his Cosmo with a Comos of my own?	Your Main Character will still be Nullified. Once an effect has resolved and created a modifier, the modifier is independent from the source that created it. Removing the power or that is the source of the modifier does not affect the modifier. Daredevil (MC)	Protector of Hell's Kitchen	Mary Walker	Typhoid Mary	If I attack Daredevil with Mary Walker (Typhoid Mary) and I put a -1/-1 counter on Daredevil and one on the only character he's protecting which happens to have 1 defense (like Black Widow) KO'ing her, does Daredevil gets an XP?	The turn player decides the order per page 9 of the rule book under "Timing." Daredevil level up power has an intervening "if" clause, which means the condition must be true when it triggers AND when it resolves. So if the turn player decides to resolve Mary Walker's power before Daredevil's power, Daredevil will not get an XP because he won't be protecting anyone once his level up power resolves. On the other hand, if the turn player decides to resolve Daredevil's power before Mary's then Daredevil will gain an XP.	FB Post - Chad Daniel	6.10.16
Dark Phoenix	What Was, What is, What will be.	Build a Better World		Say you only have 1 Academy out could you use it then play Build a Better world to flip it back and use again to pay for Dark Phoenix cost?	No, you pay the full costs for abilities when you use it.	FB Post - Chad Daniel	6.10.16

Deadpool (MC)	Oh, there's someone! Hi there!			If I'm playing with 3 or 4 players, do ALL enemy characters have to be stunned for Deadpool to gain an XP?	No. At the end of your turn, if any enemy player has no face-up characters, Deadpool will gain 1 XP. (If two or more players have all stunned characters, Deadpool still only gains 1 XP.)	UDE FAQ	6.10.16
Deadpool (MC)	Oh, there's someone! Hi there!			What's going on with his "Oh, there's someone! Hi there!" power?	If all of an enemy player's characters are stunned, Deadpool can attack that player. If the attack stuns the player, that player is KO'd and is out of the game. (The same way as if his Main Character has been KO'd.)	UDE FAQ	6.10.16

Deadpool (MC)	Oh, there's someone! Hi there!			What if an effect puts a +1/+1 or -1/-1 counter on me while I'm defending against Deadpool?	It goes on you. If this puts you to 0 DEF, you'll get stunned (and KO'd). If it makes your stats better, that could help you survive this attack and will stick around to help you if he attacks you again on a later turn.	UDE FAQ	6.10.16
Deadpool (MC)	Oh, there's someone! Hi there!			What if I get KO'd?	You're out of the game, the same way as if your Main Character got KO'd. (You do not actually lose consciousness.)	UDE FAQ	6.10.16

Dr. Strange (MC)	Mass Transmutation	Dagger		If my opponent has Dagger in play would Doctor strange be able to turn opponents counters to negative counters?	No, it would remove the +1/+1 and then... nothing else happens because they can't gain -1/-1.	FB Post - Chad Daniel	6.10.16
Dr. Strange (MC)	Supreme Power (XP)			Does he gain XP off of Drawing your opening 7 cards? Does he gain another XP if I mulligan?	No. Drawing your opening hand and Mulligans are part of Game Set up. Supreme Power only grants XP during the actual game play.	FB Post - Chad Daniel	6.10.16
Dr. Strange (MC)	Mass Transmutation			If I activate L2 Dr. Strange's Mass Transmutatoin power can I target a character with +1/+1 counters as well as a character with -1/-1 counters and switch them to their opposite counter types?	Yes, Mass Transmutation states "For each one, remove it's +1/+1 counters and put that many -1/-1 counters, or vice versa" so in this case you would be able to state which characters you're choosing as well as what counters are to be removed and which ones are to replace for each character.	FB Post	6.10.16
Dr. Strange (SC)	Transmute		Transmute	Can his Transmute power stun someone?	Yes, if they had enough +1/+1 counters, those counters will become -1/-1 counters which can stun someone.	UDE FAQ	6.10.16
Dramatic Entrance		Iceman, Black Widow, Wasp	Freeze, Sting, etc.	Do "Appears" powers work when character are brought into play with Dramatic Entrance? I'm not sure because it says, "put into play."	It does not matter how a character enters play. If it goes from not being in play, to being in play, it has "appeared" whether that is from recruiting, or some other effect putting it into play.	FB Post - Chad Daniel	6.10.16
Dramatic Entrance		Loki	Schemer	How does Dramatic Entrance work if I bring a Loki 7 drop SC into play with it? Does Loki draw me a card if it was the first PT I played that turn? Or since it wasn't in play, it doesn't grant me the benefit? If it doesn't, then does the next PT I play that turn trigger Loki's Schemer power?	If you bring in Loki SC with Dramatic Entrance, Schemer will not trigger. At the time you PLAYED the plot twist, Loki was not in play. Once he is in play, he does not look back in time and see that you played a plot twist. Also if you play another plot twist, Schemer will still not trigger because it is not your first plot twist played this turn.	FB Post - Chad Daniel	6.10.16

The original defender is still removed from combat, but since Adam enters play stunned, he can not become the defender, so he will enter play and he will be unable to become the defender. If i use the ability to strike with double of the attack, and my opponent play even the odds, what happen?	This Think is Huge! It's... It's Big! does not actually modify the ATK. It is modifying how hard it strikes during combat resolution. Normally when you strike, you strike an equal amount to your ATK. This power (and the Daredevil one) changes the rules of the game so that you are striking with double that amount, or triple with Amplify.	Chad Daniel - FB Post

Iron Man MC				For his Armor Mk 3 power, can Iron Man be the one who powered-up?	Yes. It can be Iron Man or another character on your side.	UDE FAQ	6.10.16
Juggernaut				How does his Unstoppable power work?	You make a solo attack with him against a front row character, then during combat you activate his power. If he stuns the defender and survives the combat, you may then immediately make another solo attack with him against a back row character controlled by the same player. Leave Juggernaut exhausted and dive right into his second combat. You can attack a back row character this way even if there are still face up front row characters.	UDE FAQ	6.10.16
Juggernaut	Unstoppable	Enchantress (SC)	Go Forth My Champion	If I use Go Forth My Champion on Juggernaut, and then activate Unstoppable on his first attack on a front row character, does he exhaust for his second Unstoppable attack?	In the case of Juggernaut it says to immediately attack a support row character, so the game jumps right back into combat. When "blah" is attacked/attacks triggers will still happen, but the normal rules for checking the legality if the attack (exhausting the attacker, making sure they are not protected etc.) do not apply. So in the case of Juggernaut + Enchantress it would work like this: Use Enchantress's power on Juggernaut. Juggernaut attacks a front row character and immediately readies. Juggernaut uses his Unstoppable super power. Juggernaut stuns the front row character and survives. Juggernaut immediately attacks a back row character without exhausting. Assuming Juggernaut survives the second combat he will still be ready.	FB Post - Chad Daniel	6.10.16

Kingpin (MC)	Take Over the City			When I discard a Location card to a Super Power does that give Kingpin an XP?	No, "appears" means to come into play from anywhere, so the Location has to be put into play. So playing one from your hand into your resource row or putting one into play from the top of your deck with Nick Fury would count. Discarding does not.	FB Post - Kirk	
Kingpin (SC)	Underworld Boss	Groot (MC)	We Are Groot	If Kingpin (SC) becomes my Main Character will Groot (my former MC) still be able to level down? And if so will he sill get XP later on?	Groot retains his powers and Level Up ability, and "We Are Groot" is a Super Power that puts him back to Level 1, so yes.	FB Post - Kirk	6.10.16
Kingpin (SC)	Underworld Boss	Professor X		I control lvl2 Prof X and 2 Underworld supporting characters. I (until end of turn) gain control of your Kingpin SC. In short Purple Man can NOT steal Kingpin once he becomes a MC.	FB Post - Chad Daniel	6.10.16
Kingpin (SC)	Underworld Boss	Elektra (MC)		If I activate Underworld Boss while Elektra is in my hand, what happens to Elektra?	She is demoted to a Supporting character no matter what zone she is in. If she isn't stunned by the Attacking MC and activated Death Strike will the MC get 2 wounds even though Dramatic Entrance will KO her at the end of combat?	To survive combat means to be unstunned at the conclusion of combat resolution; The survival check/combat resolution is distinctly before end of combat effects triggering. So yes, the MC will get 2 wounds.	FB Post - Chad Daniel	6.10.16
Lady Deathstrike	Death Strike			"Surviving" a Combat means not getting Stunned, correct?	Yes, Lady Deathstrike must be unstunned for Death Strike to work.	FB Post - Chad Daniel	6.10.16
Lady Deathstrike	Death Strike	Luke Cage (MC)	Impervious Skin	How does Lady's Deathstrike's Death Strike ability interact with Luke Cage's Impervious skin? would he negate both wounds?	Impervious Skin would not apply because it only prevents wounds from getting stunned, it does NOT prevent wounds given another way. The wound given by Lady Deathstrike's Super Power is NOT from stunning, it is given directly by the resolving effect.	FB Post - Chad Daniel

If it's the Lilith player's turn they may choose to remove the KO'd character from the game first (And gain a Health). As soon as these characters change zones, any other modifiers are lost. If it's the Mantis or Immortal player's turn, they can choose their triggers to happen first and teh Lilith modifier is lost and they are not RFG (also Lilith does not gain a Health). Lilith	Vampirism	M41A Pulse Rifle	M-40 Grenade	If Lilith has an M41A Pulse Rifle equipped and uses the M-40 Grenade to stun and KO a Cosmo, she gains a Health?	No, Her trigger requires a KO AND surviving. This means it can ONLY happen as a result of combat.	FB Post - Chad Daniel

And can I discard either one to the other as a power up? Can I have a copy of each in play at the same time?	1) You can put both copies of Loki in your deck effectively having 8 Lokis. They are different cards for deck building purposes. 2) You can discard each one to power up the other, they are the same character for game purposes. 3) No, you can not have both versions in play at the same time, they are the same character for game purposes and the Uniqueness rule. Luke Cage				When I use his Impervious Skin power, what happens if he gets stunned?	Everything happens normally – he turns face down, loses all +1/+1 or -1/-1 counters, etc. – the only difference is he won't gain a wound.	UDE FAQ	6.10.16
Luke Cage (MC)	Impervious Skin	Cable	Ultimate Soldier	Cable attacks Luke and both use their powers (no other effects are played). Has Luke's power worn off by the time Cable's power stuns him	Cable's power triggers at the end of combat, so Luke Cages' power has already expired by the time Cable's power has resolved. So yes, Luke gets a wound.	FB Post - Chad Daniel	6.10.16
M41A Pulse Rifle	Light Aromor-Piercing Rounds, M-40 Grenade	Cosmo	Nullify	Are equipment powers separate from character powers. Ex. Does cosmo shut off the equipment on the character?	"The Equipment gives the character new powers and will stay with it until that character gets stunned or leaves play." Since the equipment is giving the powers to the character, it would be prevented or turned off by Nullify.	Chad Daniel - FB Post	
M41A Pulse Rifle	M-40 Grenade	Storm MC	Children of the Atom	Does activating the M-40 Grenade give Storm an XP?	"The Equipment gives the character new powers and will stay with it until that character gets stunned or leaves play." So the character has the power and the character is using it, so yes, this would count for Storm.	Chad Daniel - FB Post	
M41A Pulse Rifle	M-40 Grenade			If I want to use a wild location to pay for the Super Power granted by Equipment, which one do I need to use?	Since the character has the power, any wild location will need to match the character's team affiliation.	Chad Daniel - FB Post	
M41A Pulse Rifle	M-40 Grenade	Gamora, Bullseye, Carnage		Does using the Grenade ability count as that character causing the stun (if it stuns?)	When equipped the Character gains the abilities, so they are the ones doing them. If the -3/-3 stuns a character they would get credit. Also if they are looking for credit KOing a character and the -3/-3 KOs them, they get credit for the KO.	Kirk Buckendorf - FB Post	
Magneto MC				If I go first, will his Mutant Master power trigger on the very first turn of the game?	Yes.	UDE FAQ	6.10.16
Mandarin				Can use all his powers in the same turn?	Yes. They all share the name Makluan Rings, but they are different powers.	UDE FAQ	6.10.16
Mantis	Rebirth			Can I use a Rebirth power on the same turn I played a resource normally?	Yes. It's essentially an extra resource.	UDE FAQ	6.10.16
Mantis	Rebirth			If a character with Rebirth gets KO'd by the Uniqueness rules (i.e. I play a second copy of Mantis) can I still use her Rebirth power?	Yes.	UDE FAQ	6.10.16
Mantis	Rebirth	Professor X SC, Professor X MC		If an opponent steals my Mantis (using Professor X) and then she gets KO'd, who gets to use her Rebirth effect?	Whoever currently controls the card gets to choose whether to use the Rebirth effect. However, she can only be placed in the Resource Row of her owner. In the example, that will be you.	UDE FAQ	6.10.16
Medusa	Prehensile Hair	Singularity	Pocket Dimension	If you use Medusa's ability can that character be removed with singularity? I know it says can't be moved but I am not sure if that just refers to front of back row.	"Can't be moved" only applies to effects that use the words move, pull, push and switch.	FB Post - Chad Daniel	6.10.16
Medusa	Prehnsile hair	Uncanny Defense, Spiderman (MC)	Friendly Neighbor	Can a defending character locked down by Medusa be replaced in the combat & moved with Uncanny Defense or Spiderman MC?	The Defender will be replaced with a new defender but the switching of places is defined as a move so they will both stay where they are because if one of the characters can't move for a switch, neither will.	FB Post - Chad Daniel	6.10.16
Medusa	Prehensile Hair			Can you have several opponents characters exhausted?	Yes.	FB Post - Community	6.10.16
Medusa	Prehensile Hair	Professor X, Purple Man	Mind Control, Mental Domination, Brainwash	Prehensile Hair - Can a character who is affected by the ability be moved to another player's side? If they can, must they remain in the front row when moved?	If the card uses the word move, push, pull or switch, it can not be done.	FB Post - Chad Daniel	6.10.16
Meggan		Carnage, Venom		Do counters count on face down characters such as Carnage for her ability?	Yes. Meggan's ability doesn't specifically say face up characters. It is a character and it has counters so it counts.	FB Post - Tim Saunders	6.10.16
Metal and Fire				If I'm playing with 3 players and the other two players have characters in combat, can I play this?	Yes. It will put a -1/-1 counter on each character in the combat.	UDE FAQ	6.10.16
Miss America	Tough	Play Dead		If my Miss America is attacked and I use Play Dead on her, can I recover her with Tough? And what happens to the Combat?	When Miss America is stunned by play dead, the combat is canceled, you may use tough to recover her and she will not get a wound.	FB Post - Community answered	6.10.16
Ms. Marvel				Does Ms Marvel count stunned characters?	No, because stunned character lose their powers including the Ranged symbol.	UDE FAQ	6.10.16

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Mystique				After I use her Impersonate power to copy someone's ATK and DEF, what happens if that character's ATK or DEF change?	Nothing. Mystique locks in whatever that character's current ATK and DEF are as her Base ATK and DEF for the turn. If they change later it doesn't affect her.	UDE FAQ	6.10.16
Mystique				What happens if Mystique has any +1/+1 counters when I use Impersonate?	Apply the +1/+1s after her stats change. For example, let's say she has two +1/+1 counters and she Impersonate's a 4/7 character. She'll become 4/7 with two +1/+1 counters for an end result of 6/9.	UDE FAQ	6.10.16
Mystique (MC)	Masquerade, Bitter Fury			If she is lvl 1 and has one -1/-1 counter on her and attacks lvl2 She-hulk (6/6) and uses Masquerade, does she gain +6 atk and +6 XP?	Yes, you clever Monkey.	FB Post - Community Answered	6.10.16
Mystique (MC)	Masquerade, Bitter Fury			Ok, what if she has three -1/-1 counters on her, giving her basically -2 Attack and she gains +4 ATK making her have 2 ATK; does she gain 4 XP or 2 XP?	4 XP . From the rule book: ATK values that are below zero are treated as 0 except when trying to raise or lower them. In the latter case, always use the real value.	FB Post - Kirk	
Mystique (MC)	Bitter Fury	Trickster God		Does adding counters count as her gaining ATK? What about Trickster God switching her ATK/DEF, would she gain 5 xp as she turns into a 6/1?	Yes and Yes.	FB Post - Chad Daniel	6.10.16
Mystique (MC)	Bitter Fury			Mystique and Green Goblin are out, Mystique attacks and uses her power to give her 4 ATK and she has enough to level up. Does she keep those 3 ATK she took from green goblin to make her a 9/7?	Yes. The vast majority of the time, the results of a resolving effect are "locked in" at resolution and even if the situation later changes, the modifier still applies. The only exception is if they use the word "While" which mean it is continuously looking for a specific variable to be true or false. Since this does not use "While" we know it is locked in at resolution. As long as the duration has not expired, any modifier affecting the Lvl 1 Mystique will continue to affect the Lvl 2 Mystique. In the example given by the OP, the +3 ATK gained by her Super Power would continue to apply after she is level 2.	FB Post - Chad Daniel	6.10.16
Nebula	Underling			Opponent has Nebula in play and Level 2 Thanos. Thanos gets stunned does Nebula stay a 6/6? How about if Thanos gets removed by Singularity and Nebula stays behind?	Face down characters still have all their characteristics except their powers. So Thanos is still part of an evil team and is still level 2. She does not get the bonus if Thanos is RFGed by Singularity.	FB Post - Chad Daniel	6.10.16
The Newborn	Rrrrrraaaaaaaa!			If I have 1 Fortress in hand, can I discard it to pay for Rrrraaaaaaaa! Since my hand will be Empty from the discard?	You need to meet all restrictions before you can pay the costs. You could not discard a location to pay for it, because if you have a location in your hand, you would not meet the restrictions.	Chad	
Net Launcher	Catch Them Off Guard	Gamora	Godslayer Blade	Can Daze a face down character with Net Launcher equipped Gamora who has Godslayer blade activated and KO the character?	Net Launcher allows you to use a super power that will DAZE a character. This will allow for any stun triggers to occur, even from Gamora. While you are allowed to chose a face-down character for Net Launcher's super power, this does NOT mean you are stunning them. You can NOT daze/stun a character that is already stunned. Now if they are face-down because they are hidden, then sure you can daze/stun them.	FB Post - Chad Daniel	2.17.2018
The Nullifier	Ultimate Nullification	The Nullifier	Ultimate Nullification	Can I shut off an Enemy Nullifier's Ultimate Nullification already in play with my own Nullifier?	No, Ultimate Nullification is an Appears power that remains in effect until the Nullifier leaves play. When you play your Nullifier on theirs, it's too late.	FB Post - Kirk	
Nick Fury				Do I have to show my opponent the card I put into my resource row?	No. When you activate his power, take the top card of your deck and place it face down. However, if it's a Location you can place it face up instead.	Chad	6.10.16
Onslaught	Joint Conciousness	Singularity	Pocket Dimension	What happens when Onslaught comes back from the Pocket Dimension, does he keep the ATK/DEF and Health he gained from when he was recruited?	If he is Singed out and comes back, he is a 0/0 with 0 health. The Modifier created by Joint Conciousness can not track him between zones, so once he leaves play, it no longer applies. When he comes back into play, Joint Conciousness will not trigger.	FB Post - Chad Daniel	
Onslaught	Joint Conciousness	Comso	Nullify	What happens if I nullify Cosmo?	Cosmo prevents powers from working, it does NOT stop modifiers from applying to a character. Once Join Conciousness has resolved and established the Bases Stats, using Cosmo on him will NOT change that. It will only suppress any powers he may have gained.	FB Post - Chad Daniel	
Onslaught	Joint Conciousness	Singularity	Pocket Dimension	What happens if Onslaught has a +1/+1 counter and is moved to the Pocket Dimension. he comes back as 1/1 with 0 Health, is he stunned?	He would still be stunned since he will have wounds equal to his health (0 is equal to 0).	FB Post - Chad Daniel	

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Pain and Suffering				Pain and Suffering has to be played during combat but does it have to target a character in the combat? It does not specify with "an attacker" or "a defender" or "a character in this combat" like cards like Even the Odds, Hidden Weapons, etc. do.	Pain and Suffering can only affect a character in the combat.	Danny Mandel	
Pixie	Hallucinogenic Dust	Adam Warlock, Singularity		If I use Pixie's effect and pull Adam Warlock and I use a location to recover and ready Adam Warlock, then at the end of my turn I use Singularity to remove Pixie. Does Adam Warlock get KO'd??	Pixie's effect becomes independent of Pixie once it brings Adam into play, so if Adam is in play at End of Turn, he will be KO'd	FB Post - Kirk (confirmed by Chad)	6.10.16
Professor X				When I have to "move it back" at the end of my turn, can I put it in either their Front or Back Row?	You choose where to move it back to.	UDE FAQ	6.10.16
Professor X MC				If I stun an enemy without attacking (like with Gambit's "Kinetic Card Throw"), will I still get the XP from A Dream of Peace?	Yes.	UDE FAQ	6.10.16
Professor X MC	Mental Domination	Sister Grimm (MC)	When Blood is Shed...	If Prof X MC takes control of Sister Grimm MC and suicides her, does she level up?	The default point of reference is always the controller. The controller in this case is the Professor X player. And it is during his turn and if he suicides Sister Grimm MC, it is NOT the "enemy's turn."	FB Post - Chad Daniel	
Professor X MC	Mental Domination			Can I steal a Main Character with Mental Domination?	Yes. You control that character for the whole turn as though it were your own. If it gets stunned, it takes a wound as normal. If that wound would KO it, it gets KO'd as normal and that player is out of the game. It can even gain XP and level up, but we would recommend against doing that for your opponent.	UDE FAQ	6.10.16
Professor X MC	Mental Domination			When I have to "move it back" at the end of my turn, can I put it in either their Front or Back Row?	You choose where to move it back to.	UDE FAQ	6.10.16
Punisher	Perfect Position	Star-Lord	Leader	If I'm ranged team attacking with Punisher and Star-Lord, can I activate Perfect Position and choose to have the ranged defender strike back at Punisher? Hereby avoiding the damage?	Yes. This also works with Namor team attacking alongside a Leader against a back row character.	Chad Daniel	6.10.16
Purple Man	Brainwash	Cosmo	Nullify	How does Cosmo interact with a Purple Man that has already stolen a character in the turn it came into play?	Once Purple Man's power has been activated and resolved, it is independent of its source. Cosmo removing his power after the fact has no effect on a modifier from a previously resolved power.	FB Post - Chad Daniel	6.10.16
Red Skull				How does Dust of Death work?	It will stun one character that is melee attacking the Red Skull. If that was the only attacker in the combat, the combat will be canceled.	UDE FAQ	6.10.16
Rocket MC	Back Against the Wall	Emma Frost		Will his Back Against the Wall power trigger if I have no cards for a moment in the middle of resolving an effect? For example, if I use Emma Frost's Mind Games on myself?	No. You have to have no cards after the effect has finished resolving.	UDE FAQ	6.10.16
Rocket MC				Can I discard a Skill location to activate One Raccoon's Garbage and then randomly get it back with that power?	Yes. If you're lucky enough.	UDE FAQ	6.10.16
Rocket MC	Back Against the Wall	Thanos MC	The Infinity Gauntlet	Does Rocket Level up when The Infinity Gauntlet makes him discard his hand?	No. In order, Rocket is stunned first, then later discards and then draws on their turn before Rocket recovers. So at no point when Rocket is Face up does he have no cards in hand.	FB Post - Tim Saunders	6.10.16
Rogue	Absorb Powers	Satana	Fatal Females	If my opponent has Satana in play giving all his Fems Lethal and I attack and KO one of those Fems other than Satana, does Rogue gain Lethal?	No, Rogue can only steal PRINTED powers. Powers given to a character from some other source can not be absorbed. (Note: the wording on her card does not specify Printed powers, but that has been updated in the Official Card Reference document.)	FB Post - Chad Daniel	6.10.16
Rogue	Absorb Powers	Gamora, Star-Lord	Lethal	I team attack with Star-Lord (sc) Gamora (sc) and Rogue, I know Gamora lethal will KO the defender, but will Rogue gain the powers of the defender since it's a lethal trigger from Gamora KOing the defender?	Yes. Lethal is no longer a trigger. It changes the wound given in combat to a lethal wound. Since this is a KO by combat, all team attackers get credit for the KO, including Rogue.	FB Post - Chad Daniel	6.10.16
Rogue	Absorb Powers	Hope Summers	Mutant Power Duplication	If I KO my opponent's Hope Summers with Rogue and he has a Beast in play, will my Rogue also gain the Genius keyword until she is stunned or removed from play?	No, Rogue will only gain the PRINTED powers of Hope.	Chad Daniel	6.10.16
Rogue	Absorb Power	Madame Masque	Bio-Duplicate, Swarm	If Rogue KO's Madame Masque, can I power up Rogue and put the discarded Rogue into play?	Yes, Rogue's Absorb Power gains all of Madam's powers and replaces all instances of Madam's Name with her own, so she gains this power. The second copy of Rogue in play is not KO'd because the first copy also absorbed the Swarm power.	FB Post - Community	6.10.16
Rogue	Absorb Power	Madame Masque	Bio-Duplicate, Swarm	Ok, so now I have two Rogues in play, if the first one with Swarm is Stunned does she lose Swarm and do I lose the second copy to uniqueness?	While the stunning itself would NOT remove Swarm, that is not relevant here. The modifier that gives Rogue Swarm has a duration that only lasts UNTIL she is stunned. So when she is stunned, the modifier stops giving her Swarm, and you will need to apply the uniqueness rule if relevant.	FB Post - Chad Daniel	6.10.16

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Rogue	Absorb Power	Madame Masque, Cosmo	Bio-Duplicate, Swarm, Nullify	Alright, so what if the first Rogue with Swarm gets Nullified by Cosmo, doesn't she lose Absorb which would in turn make her lose Swarm?	Swarm is still there as nothing can remove Swarm. Absorb is now gone so she can not "absorb" any new powers, but any previously created modifiers (like the one giving her Swarm) are still there.	FB Post - Chad Daniel	6.10.16
Rogue	Absorb Power	Madame Masque	Bio-Duplicate, Swarm	If I have 3 copies of Rogue in play, and only 1 of them has Swarm and that copy gets KO'd, would you need to KO another one to account for Uniqueness?	Yes.	FB Post - Chad Daniel	6.10.16
Rogue	Absorb Power	Madam Masque	Bio-Duplicate	If I have 3 copies of Rogue in play and the one with Swarm is stunned, causing a Uniqueness situation, which ones are KO'd and which one stays in play?	The most recently played one stays in play.	FB Post - Chad Daniel	6.10.16
Rogue	Absorb Powers			Can Rogue gain multiple instances of the same power?	Rogue can get the same power twice. Sometimes it will be redundant (Flight/Range/Fearless/Mobile/Shrink) and give no benefit, but sometimes it will give additional benefit. (Berserker/Appear Triggers/Super Powers) In the case of super powers, each copy of the power is distinct and each can be used once per turn.	FB Post - Chad	6.10.16
Ronan				Do I have to name a card that's in play?	No, you can name any card, including Characters, Plot Twists, and Locations.	UDE FAQ	6.10.16
Satana	Consume Soul			Assume my opponent has two Deadpool SC in his KO pile and one in play. I remove one from the game and search his hand, which has 0, and deck, which has 1, which he removes from the game as well. What happens with the other Deadpool SC in his KO pile, since the Super Power specifically says to look at the deck/hand for more characters? Does the second Deadpool in the KO pile get removed from the game as well?	Satana is intended to get all copies of that character in the Hand, Deck, and KO pile. Her wording has been updated in the Official Card Reference document.	FB Post - Danny Mandel	6.10.16
Satana	Consume Soul	Loki, Loki (all the Lokis!)		If I had both Lokis in my deck would Satana remove all my Lokis (both male and female) or just the one that is picked from consume soul?	Yes, remove all characters named Loki, even if they are different cards.	FB Post - Chad Daniel	6.10.16
Satana	Consume Soul			Is Satana intended to remove copies of the character in play as well?	No.	FB Post - Community	6.10.16
Scarlet Witch	Hex	Singularity	Pocket Dimension	What happens to mc when singularity takes them out the game while being hexed by Scarlet Witch?	Scarlet Witch isn't targeting your opponent's MC, it is a blanket effect on the game state. The real question then becomes, can MC's level up outside the game at that point, which is no.	FB Post - Tim Saunders	
She-Hulk (MC)	Rules Lawyer			How does Rules Lawyer work timing wise under the rules for effects needing to resolve as soon as they are played?	Basically when She-Hulk LV2 is in play, whenever an opponent uses a Super Power, they will need to give the She-Hulk player a chance to respond before resolving the effect.	FB Post - Chad Daniel	6.10.16
She-Hulk (MC)	Rules Lawyer			How does Rules Lawyer work if the Super Power needs one choice made from multiple options?	If the effect requires a choice, like choosing a character, the She-Hulk player has to make their decision on whether or not to use Rules Lawyer before those choices are made.	FB Post - Chad Daniel	6.10.16
She-Hulk (MC)	Rules Lawyer	Sister Grimm (MC)		How does She-Hulk's Rules Lawyer work against Sister Grimm MC? I announce Open Sesame and flip my Academy. My opponent says objection and flips his. Do I lose my level and my ability to ever use Open Sesame again? And does Sister Grimm flip back to Level 1?	You go back to level 1 and you also cannot use that ability again.	FbB Post - Martin Shank/Chad Confirmed	6.10.16
She-Hulk (MC)	Rules Lawyer	Cosmo, Magneto	Nullify, Magnetic Suppression	How does Rules Lawyer work on powers like Nullify or Magnetic Suppression?	It doesn't, those are "Keyword Powers", Rules Lawyer only reacts to "Super Powers." Super Powers are powers that require an activation cost using icons from Locations.	FB Post - Community	6.10.16
Silver Sable	Wealthy			For Silver Sable, what is a recruit point?	They're the points that are generated by your resources each turn to recruit characters. Basically Silver Sable says you have one extra so if you would have 5 resources you have 6 recruit points to recruit a character with.	FB Post - Michael Palmer	6.10.16
Silver Sable	Mercenary	Deadpool (SC)	Mercenary	If I have both Silver Sable and Deadpool, can they both enter a team attack with my Main Character?	No, For a team attack to be legal, all characters have to be on the same team or legal to attack with each other. Deadpool & Silver Sable are not on the same team and can only team attack with Main Characters, not each other.	FB Post - Community	6.10.16
Singularity	Pocket Dimension	Cosmo, Star-Lord L2	Nullify, Space Cop	what happens if I use Singularity's power to remove my characters, then on my opponent's turn, Singularity is targeted by Cosmo. Do my characters still return at the end of the turn or when singularity is stunned/leaves play?	Singularity's power creates a delayed triggered modifier that exists independent of its source. Removing the power from the source does nothing to negate or change the delayed trigger modifier already created. In short, playing Cosmo on Singularity does not stop the previously removed characters from returning.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Pixie	Hallucinogenic Dust	What happens to the character brought in by Pixie if I want to RFG it with Singularity?	Both trigger "At end of turn" when there are multiple triggers that trigger at the same time, you get to decide the order. So yes, you can use Singularity to "save" the character brought in by Pixie.	FB Post - Chad Daniel	6.10.16

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Singularity	Pocket Dimension	Beast, Doc Oc	Genius	If you Singularity Doc Oc does he draw at the start of your turn?	The delayed trigger from Singularity and Genius both trigger "At the start of your turn..." Once the delayed trigger from Singularity resolves, we are now past the point at which, "At the start of your turn..." triggers would have triggered. So you do not draw from Genius brought back with Singularity in the same turn.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Wasp, Black Widow, Iceman, Cosmo, etc.	Sting, Freeze, Nullify, etc.	Do Appear powers trigger when characters come back from being RFGed by Singularity?	Yes.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Purple Man	Brain Wash	What happens if I RFG a stolen character from Prof X/Purple Man with Singularity and then Purple Man is removed the very next turn. Do I keep the stolen character or do they return to the opponent when they reappear?	The wording on Singularity specifically says they come into play on their OWNERS side.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension			Do characters return to their owners side readied and do you get to place which row when they are returned in this fashion?	Whenever a character comes into play on your side, you choose which row it is in, and unless some other effect says otherwise, it always comes into play ready.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Goblin Queen, Demon Goblins	Summon Goblins	If you use Singularity to remove from the game Goblin Tokens do they disappear forever or will they come back?	They are gone, but you can get them again by using the Goblin Queen to make more tokens.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Captain America (SC)	Inspire	how does Singularity interact with Captain America SC with other characters appearing, along with the Captain himself?	They all come into play at the same time and when characters enter play at the same time, each of them will "see" the others also coming into play, so Inspire will trigger for all the other characters.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Cosmo	Nullify	When a Character targeted by Nullify is removed with Pocket Dimension, does it come back free from the Nullify?	Yes, it is a new character. Nothing affecting it previously would affect it now.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension			Are out of play characters considered to be on your side?	No.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Magneto (MC)	Mutant Master	Does Magneto get a level up counter if he enters play at the start of the turn with singularity's effect?	No. Once the delayed trigger from Singularity resolves, we are now past the point at which, "At the start of your turn..." would occur, so Magneto is not in play.	FB Post - Community Answered	6.10.16
Singularity	Pocket Dimension	Any MC Level Up Power		Can a main character still gain xp when you use Singularity on them? For instance Ghost Rider can he gain xp if Singularity is attacked and KO'd?	Cards have to be in play for their powers to work unless their text says differently or the power could only work from another zone.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension			Can I remove my Main Character with Singularity?	Yes.	FB Post - Community	6.10.16
Singularity	Pocket Dimension			If a player uses Singularity's Pocket Dimension on his or her MC does that player lose the game?	No, the game ends when you KO your opponent's Main Character or they KO yours.	Rulebook	6.10.16
Singularity	Pocket Dimension	Juggernaut	Unstoppable	Juggernaut attacks Singularity who is in the front row. Pays Might and stuns her. Do the other characters come back in time for jugs to declare his second attack or no?	The controller of Singularity decides which row the characters come back into play. So they could put them in the front row, or the back row. So if they opt to put them all in the front row, it is no dice. If they put at least one in the back row, the next question then becomes, can Juggernaut attack them? And the answer is YES! You see, Singularity triggers upon her leaving play which is during combat resolution, so that is when her power triggers. Juggernaut on the other hand, triggers after combat resolution is over. Since Singularity triggered first, it will resolve first and your opponent could opt to put a character into his back row. IF he does, then it will be there for Juggernaut to attack when his trigger resolves.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Kingpin	Underworld Boss	Singularity + Kingpin SC. I allow Kingpin to "take over", then move my original MC out with Singularity. He comes back and forgets that he is now a SC. Do I now have two MCs?	No, Modifiers that demote or promote characters work across all zones. If you RFG a demoted MC, it will remain demoted when it comes back into play.	FB Post - Chad Daniel	6.10.16
Singularity	Pocket Dimension	Professor X		Prof X L2 and Singularity are on board. You use Prof X L2 to steal the opposing MC. At the end of your turn you remove the MC from game using Singularity. The opponent's turn starts, but now they have no MC... What happens? Does the Prof X player win?	No, it's fine if a player's MC is removed from the game. A player only loses if their MC is on an enemy player's side at the start of that enemy player's turn	Chad Daniel & Michal	6.10.16
Singularity	Pocket Dimension			What exactly counts as a "Counter" - for Singularity? Are Wounds and XP "Counters," or only +1's and -1's?	All of the above.	FB Post - Community	6.10.16

Singularity	Pocket Dimension	Winter Soldier, Iceman, Cosmo	Freeze, Nullify	Does a frozen character thaw out if they get flickered by Singularity?	Yes, most modifiers do not track characters that leave play. The only ones that do will specially say they do either in the rules or in the card text.	FB Post - Chad Daniel	6.10.16

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Singularity (MC)	Envelop	Electro	Chain Lightning	If three of my 1 drop characters are KO'd by Electro, can I use Envelop to return all of them to my hand?	No, each SC would give you the opportunity to use the Reaction power, but only the one you choose could come back. It is like have three triggers, you can only pay the cost once, but you can decide which trigger you pay for.	FB Post - Chad Daniel	
Sister Grim (MC)	When Blood is Shed			The Singularity ruling states that when a character comes back into play it is a new character and nothing has now previously effected it. Can Sister Grimm use ability an she has previously used since technically she's a new character and now has not technically used the previous ability?	A once per game restriction is something that functions in all zones, no matter who controls the character or what zone it is in. This means even if a character with a power with a once per game restriction leaves play and comes back, you still can not use it again if it was used before leaving play. Also if an opponent takes control of a character with a one per game restriction, if they use the super power, when you get it back, you will not be able to use that power.	Chad Daniel	6.10.16
Sister Grim (SC)	The Staff of One			Do you have to Shuffle your deck after you search?	Yes	Chad Daniel	6.10.16
Sister Grim (SC)	The Staff of One			If I only have a Villain Main Character and Sister Grim in play and I search up an Avenger's Team Stamped Plot Twist, I am not able to play it. Where does it go?	It stays in the deck.	Chad Daniel	6.10.16
Sister Grim (SC)	The Staff of One			Does Sister Grimm have to be in combat to use her ability?	No, The Staff of One has "Any Combat" Which allows it to be used during any combat, even one she is not a part of.	FB Post - Chad Daniel	6.10.16
Sister Grimm (MC)	Let the Staff of One emerge			What if two players are playing Sister Grimm? say if one uses bounce house first can the other player Bounce House?	The restriction is applied to that physical card, if your opponent uses the same MC, then their restrictions are independent of yours.	FB Post - Chad Daniel	6.10.16
Spectrum	Energy Form			Does spectrum gain +1/+1 counters from face down labs? Her effect does not specify whether the location should be face up.	A face-down card in a resource row is just a resource. The resource row is hidden information, so things that are face down have no identity.	FB Post - Chad Daniel	6.10.16
Star-Lord MC				Does Space Cop affect Level Up powers? How about Flgiht and Range?	Yes to all the above.	UDE FAQ	6.10.16
Storm MC				With her "Lightning Storm" power, can I put both -1/-1 counters on the same enemy character?	Yes	UDE FAQ	6.10.16
Storm MC				Will using Deadpool's (supporting character) power "Can't Keep a Bad Man Down" trigger Storm's "Children of the Atom"?	Yes	UDE FAQ	6.10.16
Strength Above All Else				My 1/10 Mystique MC is attacking Baron Von Strucker who is a 6/2. I play Masquerade, and match his power. 6/10 Mystique attacking 6/3 Baron. I've played her super power and pass. Baron plays Strength above all others. At this moment we match so he has highest attack and can't be struck this combat. Priority back to me, I play Cat Fight to raise my attack to 10/10. Does Strength still prevent the damage? Did it just grant protection when it resolves, or does it check for ATK again at strike?	if you are the highest ATK character during combat resolution you can't be struck	Chad - PM Conversation	2.21.2018
Taskmaster	Photographic Reflexes	Onslaught	Joint Conciousness	What happens if I recruit Taskmaster while my Opponent has Onslaught in play?	So Onslaught's Power happens at the time you recruit him (faster than appears powers). Taskmaster comes into play, but doesn't have Onslaught's power when he's recruited, so nothing happens. As far as the power's that Onslaught has, Taskmaster doesn't copy those because they aren't Printed Powers like Taskmaster is looking for. So Onslaught is effectively doing nothing for Taskmaster. Thanos MC	The Mad Titan			If Thanos is stunned as an enemy character is KO'd as the result of striking each other, will Thanos get an XP?	Yes	UDE FAQ	6.10.16

Upper Deck Vs System 2PCG Card Rules FAQ - Card Ruling FAQ

Thanos MC	The Mad Titan	Goblin Queen/Demon Goblin Tokens	Summon Goblins	When a token takes lethal damage, does it become KO'd and count towards Thanos' level up ability?	Thanos will gain XP from a Token being KO'd and Tokens will exist for a brief moment in the KO pile before ceasing to exist via the rules of the game. Basically if a token ever ends up in a non play zone, it will cease to exist.	FB Post - Chad Daniel	6.10.16
Thanos MC	Infinity Gauntlet	Professor X	Mental Domination	If I use Professor X to take my opponent's level 2 Thanos, and I use infinity gauntlet, does Thanos get stunned?	No, "You" refers to the MC you control. At the time Infinity Gauntlet resolves, the opponent does not control an MC, so nothing happens with that part of the effect.	Chad Daniel	6.10.16
Thanos SC				Can he put a wound on my opponent's main character?	Yes. In fact, he affects all stunned characters so he could put a wound on your main character too.	UDE FAQ	6.10.16
Trickster God				How does this work?	When you play it switch the character's current stats. Any new stat changes will work as normal off those switched stats. For example, let's say you have a 4/7. When you play Trickster God it becomes a 7/4. Then if you give it +3 DEF it becomes a 7/7.	UDE FAQ	6.10.16
Uncanny Defenses				Can I switch the defender with a stunned character on my side?	No. You can only replace a defender with a face-up character. (Stunned characters can't enter combat.)	UDE FAQ	6.10.16
Uncanny Defenses				Can I play it if I don't have a valid character to replace the defender?	Yes, but nothing will happen.	UDE FAQ	6.10.16
Uncanny Defenses			Dodge	What happens if I make a ranged attack and my opponent plays a Plot Twist to switch the defender to a character with Dodge?	Once an attack starts, it can no longer be made illegal. So that attack will continue as normal.	UDE FAQ	6.10.16
Valkyrie	Chooser of the Slain			Do you still have to spend resource points to recruit after activating Valkyrie?	Yes. Valerie doesn't allow you to play from KO pile for free. It specifically says you can recruit from KO pile which means you would have to pay recruit cost to play the character from KO pile.	FB Post - Michael Palmer	6.10.16
Venom (MC)	Growing Bond			Does removing -1/-1 counters from Venom (via power up, fair and balanced, etc) count towards his Growing Bond level up ability?	The ways you mentioned do not "remove -1/-1" they add +1/+1 counters to a character. It is only after they are added that the rules of the game will then remove +1/+1 counters and -1/-1 counters until only one kind remain or none. So yes, they will trigger Venom's level up power.	FB Post - Chad Daniel	6.10.16
Winter Soldier (MC)	Cryogenic Stasis			Can Winter Soldier team attack to lvl up?	Yes, Winter Soldier gets credit for Stunning a character in a team attack.	FB Post - Chad Daniel	6.10.16
Winter Soldier (MC)	Cryogenic Stasis			Does Winter Soldier gain an XP if he is Stunned while Stunning a defender?	Yes.	FB Post - Chad Daniel	6.10.16
Winter Soldier (MC)	Cryogenic Stasis	X-Factor		Can I gain 2 XP in a single turn with Winter Soldier (MC) if I attack (with an X-Men character on board) and stun a character, freeze, and then ready with X-Factor and attack again and stun another character?	No. While you could use X-Factor to ready him and attack again, you would not be able to get another XP. Winter Soldier's text says, "When Winter Soldier stuns a defending enemy character, you may Freeze Winter Soldier if he's not already Frozen. If you do, he gains an XP." Since he is already frozen, you can not freeze him again to get a 2nd XP." Note: This wording has been updated in the Official Card Reference Document.	FB Post - Chad Daniel	6.10.16
Winter Soldier (MC)	Cryogenic Stasis	Singularity	Pocket Dimension	Does a frozen character thaw out if they get flickered by Singularity? Can this circumvent MC Winter Soldier's drawback?	Modifiers do not track characters that leave play unless the rules or card text specifically says they do.	FB Post - Chad Daniel	6.10.16
Wolverine MC				If Wolverine team attacks with one other character, but in the middle of combat the other character gets stunned by a Plot Twist or Super Power, and then Wolverine stuns the defender, will Wolverine get an XP because now it ended up being a solo attack?	Yes, because it only checks if it was a solo attack during combat resolution.	UDE FAQ	6.10.16
Wolverine MC	Best At What He Does			If Wolverine is stunned as an enemy character is stunned as the result of striking each other, will Wolverine get an XP?	Yes	UDE FAQ	6.10.16
Wolverine MC	What he does isn't very nice.			Scenario: wolverine level 2 has 4 wounds and 1 XP. He attacks and trades with a defender. Question: Does wolverine take his 5th wound and get KO'd or can he get the XP and level up first (gaining a 6th health).	There is a difference between a stunned Wolverine leveling up while stunned and a stunned Wolverine leveling up before he is KO'd. While technically the level-up power will trigger, by the time it resolves, Wolverine is already KO'd.	FB Post - Chad Daniel
